VOLUME THIRTEEN

WISCONSIN

FORWARD

THERE are those who consider a school annual as something worth far less than the sacrifices entailed in its creation. I, for one, am strongly opposed to this view.

This is the thirteenth volume of the Argos. Each volume is the creation of the students under the guidance of a faculty monitor. Each volume has an individual character—the product of creative minds working together to record faithfully, for the present and for posterity, the work—pray—play activities of the total group that is St. Norbert High School.

The first Argos had forty-eight pages. It has now grown to twice its original size. In its make-up it has never been just "another annual," to be looked at just once and then discarded. It possesses an enduring character. Moreover, it has never had to dip into tuition funds to pay its way. Part of the credit for this must go to its advertisers and its patrons to whom we are deeply grateful; their loyalty was easily elicited through the faculty monitor and the students.

I am certain that the present volume will share, with its sisters, a supremely enthusiastic reception; that it will be more cherished as time passes when you as a faculty member or you as a student wish to recall the happy days we spent together; what we achieved here working together, praying together and playing together.

ST. NORBERT

Apostle of the Blessed Sacrament

Archbishop of Magdeburg

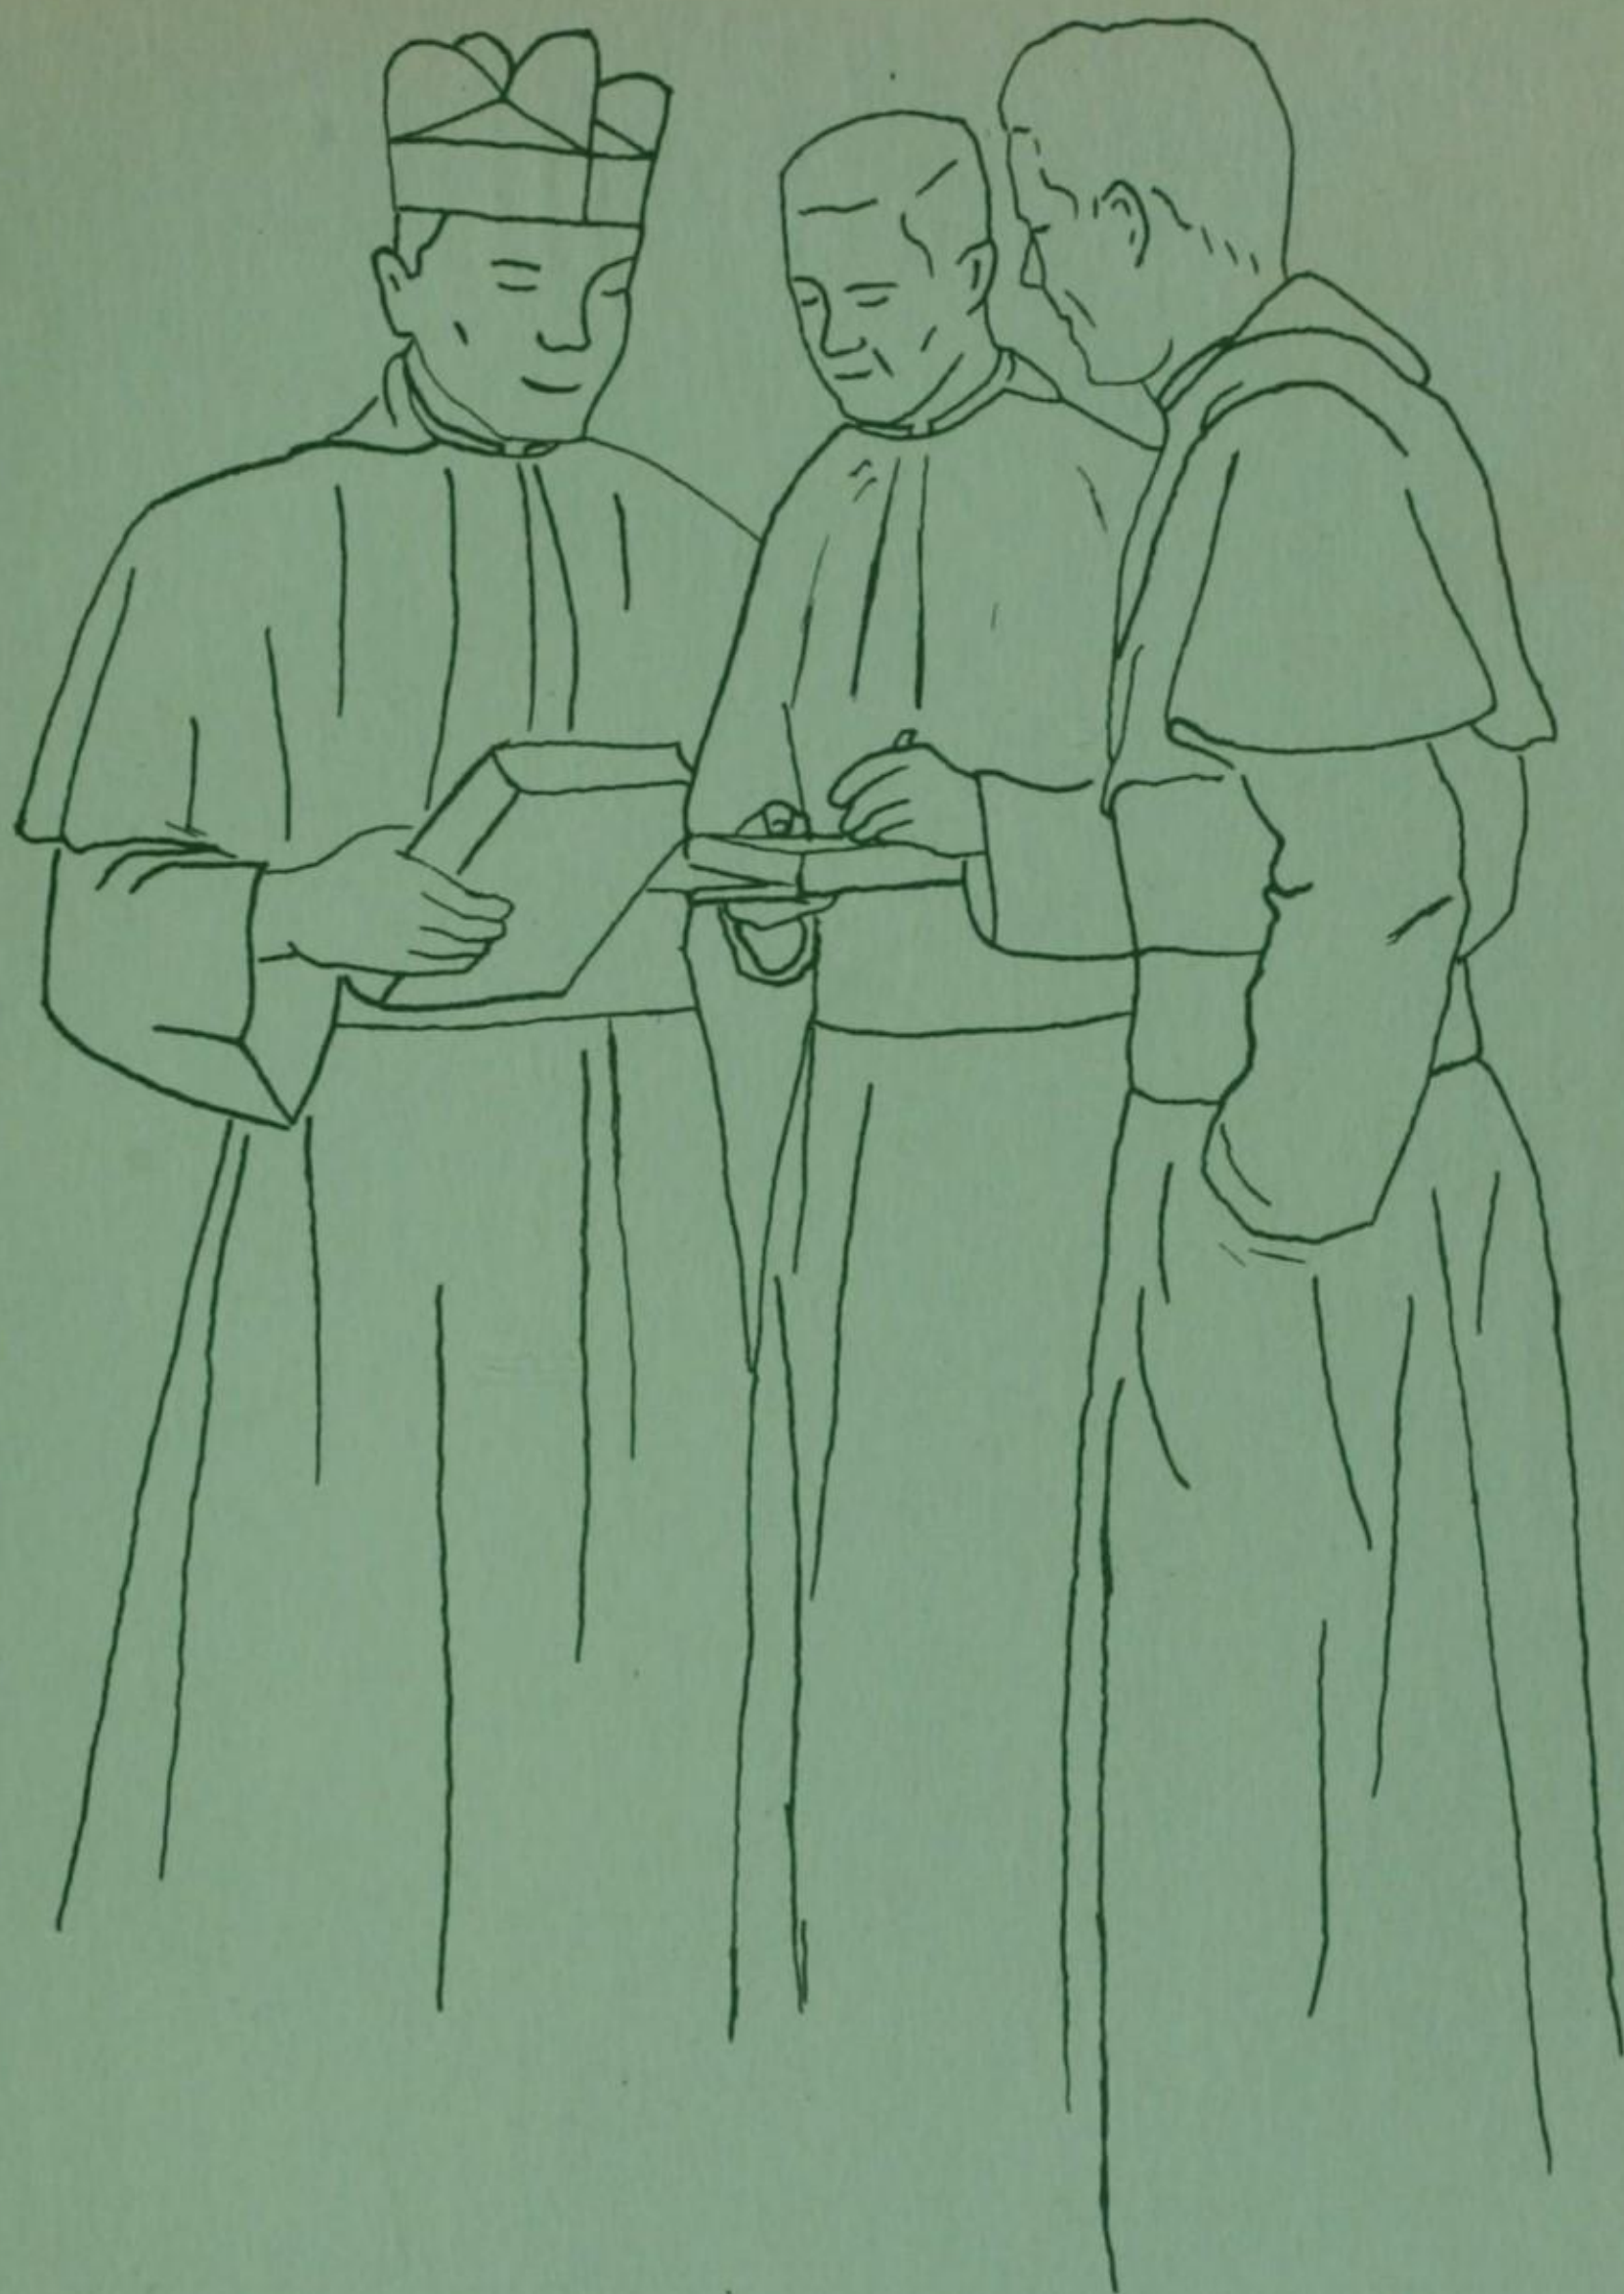

Founder of the Canons Regular of Premontre

It has often been said that the history of a religious order is "the elongated shadow of its founder." This is very true in the case of the Canons Regular of Premontre, or Norbertine Fathers, as they are commonly called. Although St. Norbert lived over 800 years ago, his apostolic spirit is present in the Order today.

As a basis for its external apostolic life, the Order demands of its members an intense spiritual foundation. The ends of the Order which have developed over the centuries are: 1) Praise of God by Divine Office in Choir; 2) Special devotion to the Holy Eucharist; 3) Special devotion to the Blessed Virgin Mary; 4) Spirit of penance; and 5) Zeal for souls. These ends, which are inculcated into the spirit of the members of the Order, are assisted by the daily spiritual exercises of the Norbertine Religious.

The exterior activities of the Norbertines differ according to the needs of the location of its houses. Thus, in Hungary, teaching in the gymnasias is the principal work. In the Abbeys of Holland and France, the foreign missions have been a center of activity along with a specialized apostolate (retreats, press, liturgical apostolate, teaching). In the Central European Abbeys, the traditional parochial ministry prevails. Here in the United States, the Order conducts four high schools (West De Pere, Wis., Green Bay, Wis., Philadelphia, Pa., and Claymont, Del.), a college (West De Pere, Wis.), two radio stations, WBAY (Green Bay, Wis.) and WHBY (Appleton, Wis.), a television station, WBAY-TV (Green Bay, Wis.), a summer camp for boys at Cecil, Wis., Camp Tivoli, and numerous parishes in Wisconsin, Illinois, Michigan, and Montana. From this, it is seen that the Order is still faithful to its age-old motto, "Prepared for every good work."

The 1955 ARGOS pays tribute to the Norbertine Order and its founder, the heavenly patron of our school. Our cover was designed to illustrate the true Catholic leadership which is obtained from the teachers here. During the course of the yearbook, we have tried to illustrate by picture and word, this leadership in practice, in our classes and activities.

STUDENT COUNCIL

Front Row: G. Sinkler, Armstrong, P. Morris, T. Torinus.
Second Row: J. Tesch, Pres., Grota, Secr., J. Johnson, Treas., Jansky, V. P.

THE student council is the medium whereby the problems and recommendations of the students are presented to the administration. It consists of boarder and day student representatives from each class and four officers, nominated by the faculty and elected by the students. Meetings were held on the second and fourth Mondays of every month under the supervision of Father Clabots. In the past few years the student council has become a strong organization and has succeeded in gaining many benefits for the student body.

MENASHA

ST. NORBERT High opened the 1954 football season with a 12-0 victory over St. Mary's Menasha at Minahan stadium September 12. The Dillonmen drew first blood when early in the second period Simoens intercepted a Zephyr pass on the Green and White 47 yard line. Tom Johnson climaxed a series of running plays with a 2 foot plunge for the T. D. The try for the extra point failed. In the second half, after an Olbrantz to Johnson touchdown pass was nullified by a clipping penalty, Jansky replaced Olbrantz. On the next play, a quarterback keeper, Jansky raced 27 yards around left end to pay dirt and the final 6 points. Again the try for the point after touchdown was stopped short.

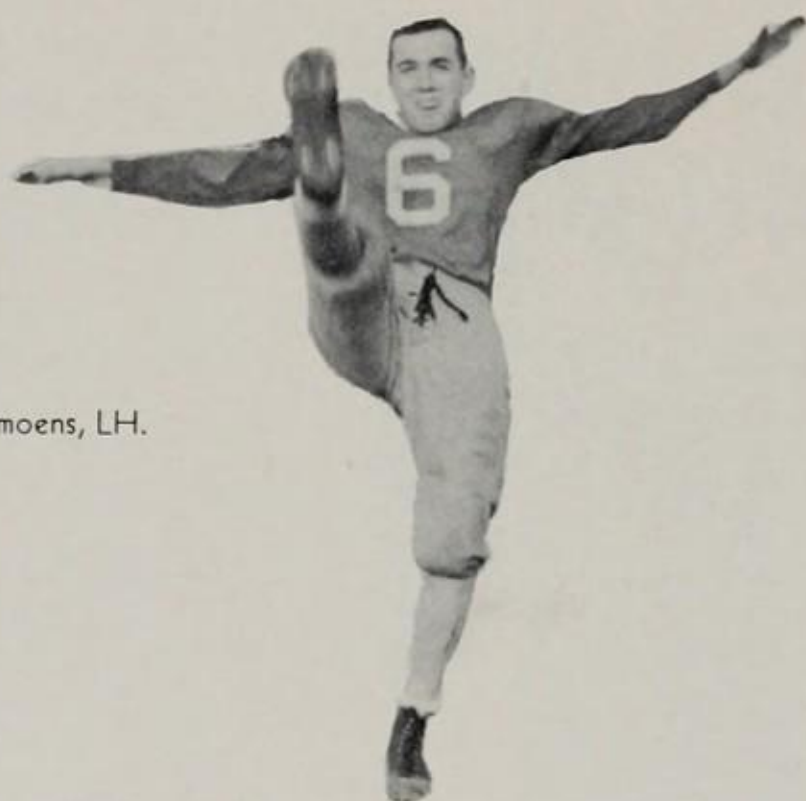

Bless that forward wall!

NEWMAN

SCORING the first four times they had the ball the Squires rolled to their second victory 41-0 against Newman High of Wausau. Fumbles set up the first two tallies as Daanen raced 35 yards for the Dillonmen's first score and Mullen reeled off 16 yards for the second touchdown. Tom Johnson added both points after. Olbrantz hit VandeList in the end zone for the third marker and Pete Paul added the extra point. Mike Dockry plowed 3 yards to pay dirt in the 2 period and Brady added the point after. In the 3rd period Mullen threw a strike to Jim Johnson who scampered 17 yards for the score. Sinkler who added the extra point also broke through the middle for a 66 yard touchdown jaunt to wrap up the scoring spree for the night in the final stanza.

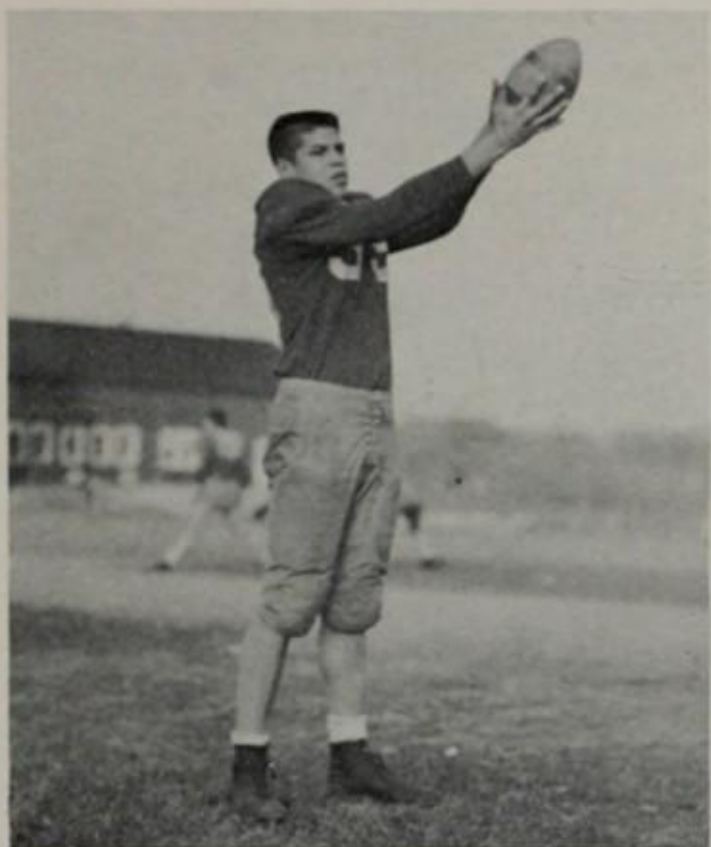

How does that round helmet fit that square head?

Jansky breaks away.

SPRINGS

PLAYING in a steady downpour, the Squires racked up their second conference win of the season over St. Mary's Springs 12-6. The defenses of both teams held in the soggy weather for the first eight minutes. Led by Paul, Simoens, and Johnson, the Green and White moved from their own 29 to the Springs 3 yard line. Johnson blasted through the middle for the 6 to 0 lead. Sheridan received the kick off on his own 20 yard line and raced 80 yards to tie up the game. When an Olbrantz punt was blocked on the 26 the Dillonmen had to put up a stiff stand but took over on their own 3 yard line. On a tremendous drive highlighted by 3 Olbrantz completed fourth down passes, Simeons scored on the final toss from 14 yards out and the margin of victory.

*H*ELD to a 6-0 lead till half time, St. Norbert opened up in the final two periods for a 31-0 win over Columbus of Marshfield. Pete Paul set up the first score racing 44 yards to the Don's 25. Olbrantz capped the running attack by carrying the mail for the six points on a quarterback sneak from the two yard line. The Squires kicked to open the second half but Columbus had to punt after getting nowhere and St. Norbert took over on the 40. Jansky blasted through for nine yards to the 31 and lugged the pigskin the remaining distance to pay dirt. After a blocked punt, Zimmerman carried for 24 to the seven where Simoens covered the last seven for the tally. The fourth marker came on a 75 yard punt returned by Simoens the third play of the fourth period. Another blocked punt set up the final touchdown, a 3 yard smash by Jansky. Melum added the point after.

LOURDES

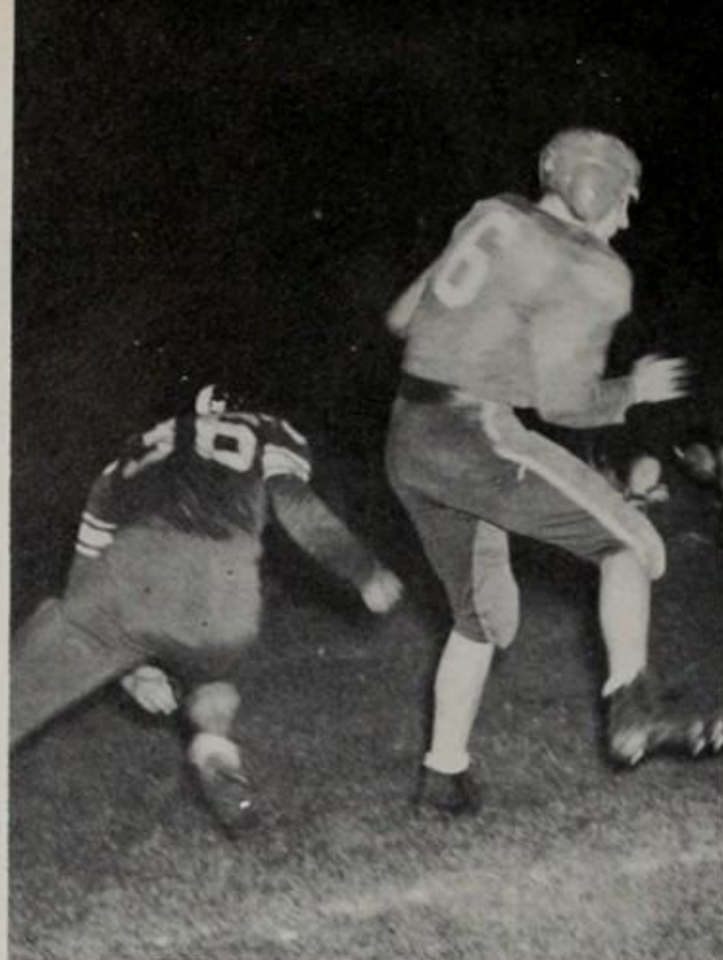

WITH three touchdowns in the second period, St. Norbert scored its fifth win of the season and number three for conference play, downing Lourdes 27-6. First score by the Squires followed a sustained drive from their own 20 entirely on the ground. Jansky smashed through the middle for the final four yards and Olbrantz added the extra point. Tomasini recovered a fumble on the Shamrock 27 which set up Johnson's five yard end run to pay dirt. A Vanderfinn to Dory pass gave Lourdes their only tally. Olbrantz and Simoens teamed up on two passes; the second good for 33 yards and the score. Melum added the point after Simoens' interception of a Vanderfinn pass sent the Dillonmen on the way for the final score. Olbrantz pitched a strike to VandeList on Lourdes' 20 yard line. A series of running plays brought the ball to the one where Olbrantz plowed into the end zone and Melum added the extra point.

LITTLE CHUTE

COMING from behind, scoring twice in the final period St. Norbert High won the Fox Valley Catholic Conference football championship defeating St. John of Little Chute 19-13 in the annual homecoming game. After a scoreless first stanza Little Chute scored when Jansen blasted into the end zone from the one. In the third period Olbrantz's passes put the squires in Dutchmen territory. Johnson and Simoens moved the ball to the three on successive runs. Olbrantz went into the end zone through the middle. Little Chute counted again when Vanden Burgt threw a pass to Locy who lateraled to Weigman who raced for the touchdown. Jansen added the point after. An Olbrantz to Simoens pass carried the ball to the 13. On the next play Simoens scored. A fourth down punt blocked by Gay Fossum on the 47 set up the winning tally. Olbrantz faded and threw a beautiful pass to Johnson who raced into the end zone unharmed. Olbrantz carried over for the extra point.

One more for the mighty Squires.

STURGEON BAY

TWO touchdowns in the final period by St. Norbert beat Sturgeon Bay and finished the undefeated, untied season for the Squires. Olbrantz scored first as he carried over from the two. The attempted point after was no good. The Dillonmen took over on the 23 yard line where the Clippers had failed to move farther. After a 15 yard penalty moved the ball to the 5 yard line, Olbrantz faded and pitched a strike to Johnson on the 45 who gathered in the mail and raced the remaining 55 yards for the tally and cap a 95 yard pass play. Sturgeon Bay scored for the first time on a Graf to Ewaskowitz aerial good for 28 yards and the T.D. A fumble by the Green and White set up Graf's one yard blast for the Clippers second touchdown tying up the game. Simoens broke open the game on a 5 yard smash for the score. Late in the fourth period Simoens again scored from the 10 yard line after Paul and Johnson moved the ball into Clipper territory. The final score stood 25-12 in favor of St. Norbert.

A JUNIOR VARSITY made up entirely of freshmen and sophomores rolled up quite an impressive record winning 10 games while losing only 7. The fellows worked hard and gained the all important experience needed for varsity play.

Coach Vandelist worked with quite a few combinations, in looking for the future Varsity material. The team was quite well balanced as far as the scoring went. The leader was Bob Kobriger with 138; he was followed by Daryl Brost with 107, Tom Vandelist with 103, and Wilbur Schaefer with 98. These fellows along with the remainder of the team gained the needed experience for use in the future.

ST. NORBERT opened the baseball season with a 7-4 victory over Freedom. The Squires pushed 5 runs across the plate in their half of the 7th inning to erase a 2 run deficit.

Central Catholic handed a 6-0 shutout to St. Norbert for their first loss of the season. Roger Mellotte threw a neat two hitter as the winning pitcher as Bloemer took the loss giving up 6 hits.

St. Mary's of Menasha aided by a blizzard cooled off the Squires in a 3-0 encounter in the snow. Zephyr hurler DeYoung was the winner allowing 3 hits while Bob Mullen took the short end of the score giving up 6 hits.

In a 9 inning thriller, St. John of Little Chute downed St. Norbert for their 3rd loss of the season 3-2. The Squires knotted the count in their half of the seventh 2-2. In the ninth the roof fell in as the Dutchmen pushed across the vital run.

Freedom evened the matter as they took their second meeting with the Dillonmen by the score of 9-5. A seventh inning rally by the Irish clinched the victory as they held tight in the Squire half of the frame.

The Cadets from Central again triumphed over St. Norbert to the tune of 4-1. Hits again spelled defeat as Vogels the winning hurler gave up a lone single and Bloemer the loser gave up 7.

The Squires fell to the Dutchmen again by the score of 9-4. A big third frame for St. Johns proved too much for Bloemer and company, the losers. WynBoon hurled his mates to a 7 hit victory.

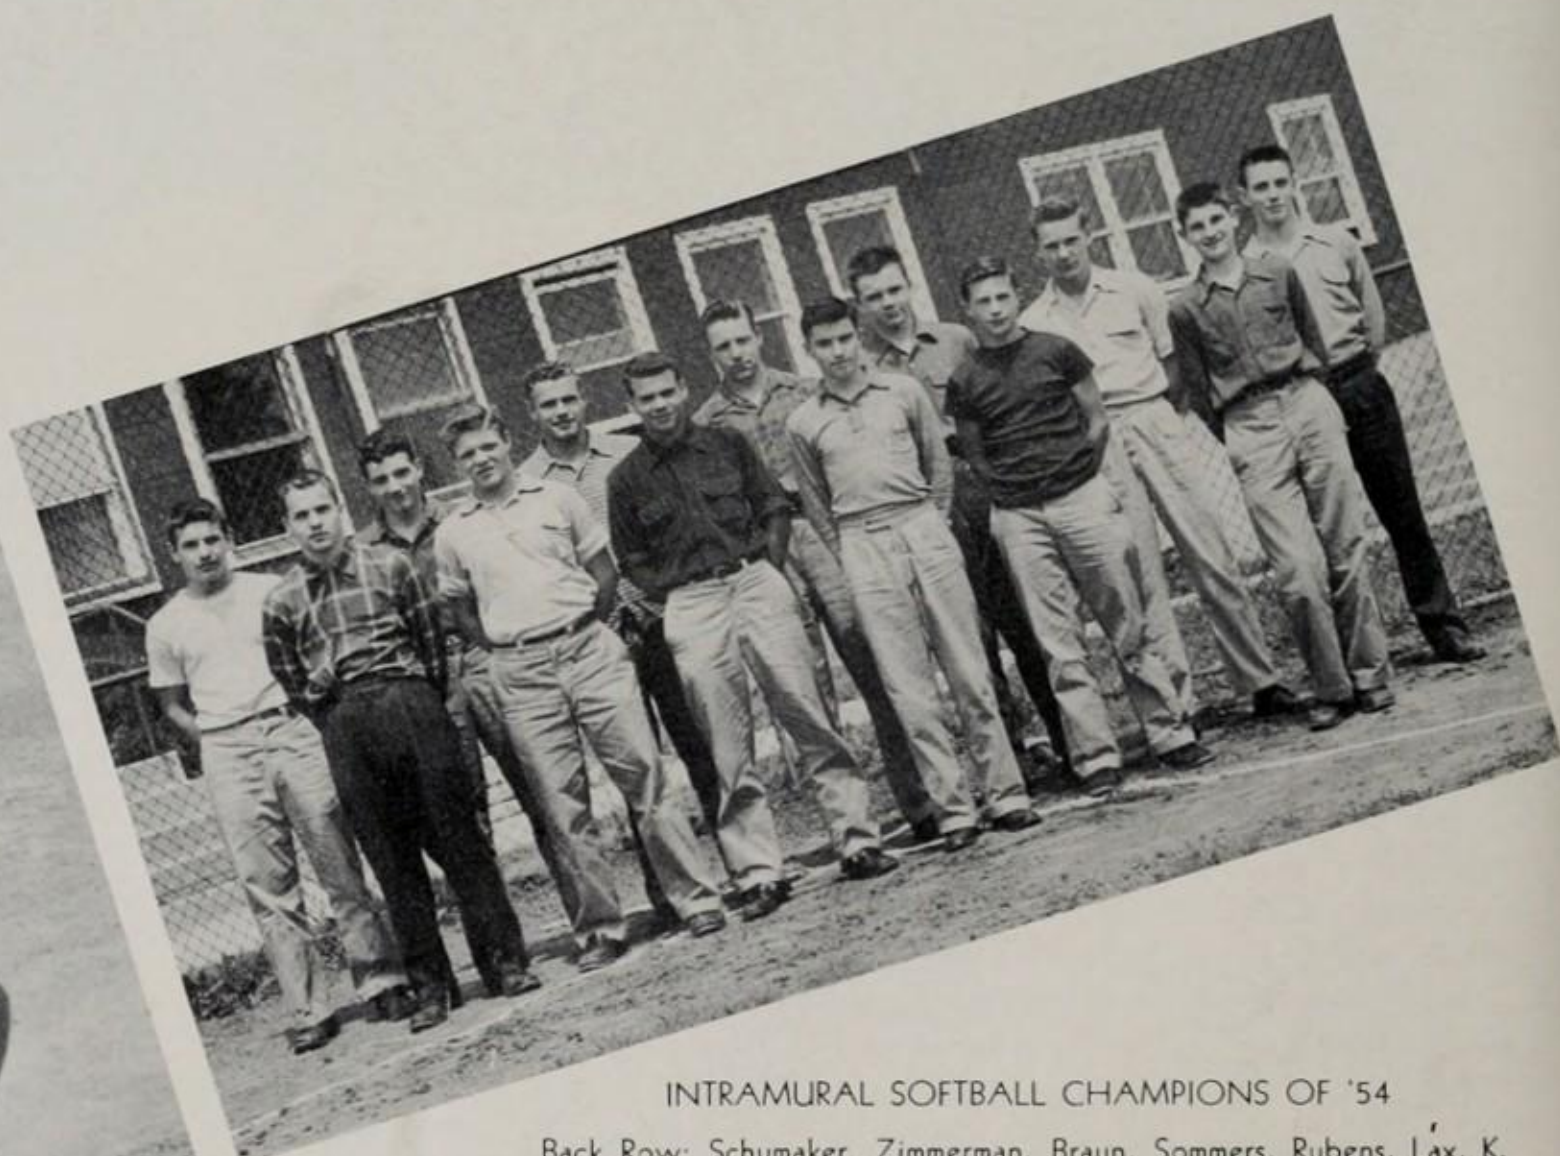

In the finale of the season, St. Mary's of Menasha edged by the Dillonmen 8-7 in a hard fought battle. Dibelius was credited with the win and Mullen took the defeat.

Activities

As in the past the "N" Club was the most colorful organization on the campus. Each Friday the lettermen are required to wear their letters under the penalty of 25 cents fine.

The objects and purpose are to encourage cooperation and a feeling of fellowship among the members, and to build that quality of leadership which is so necessary in the life of a young man. The candidates for membership are judged on the ideals of good sportsmanship and moral character, as well as a passing grade in school. He must be a student in good standing and be awarded the varsity "N" in any of the major sports. The slogan of the "N" Club is to be a good member, and active member as well.

ARGOS

THIS year's publication was under the capable editorship of John Torinus and Jim Johnson. We were very fortunate in having two such able men as co-editors of our Argos. The remainder of the staff consisted of energetic students who were willing to dedicate their time and talents for this annual project. Those working on the staff receive no benefit other than that of personal satisfaction in seeing their work being enjoyed in the hands of the other students. The Argos is the one means by which we may recall the memories of our unforgettable days here at Saint Norbert High School. The members of the staff would like to express their thanks to Father Finnegan, their moderator, for his unsurpassing guidance in the compiling of this thirteenth edition of the Argos.

HI-TIMES

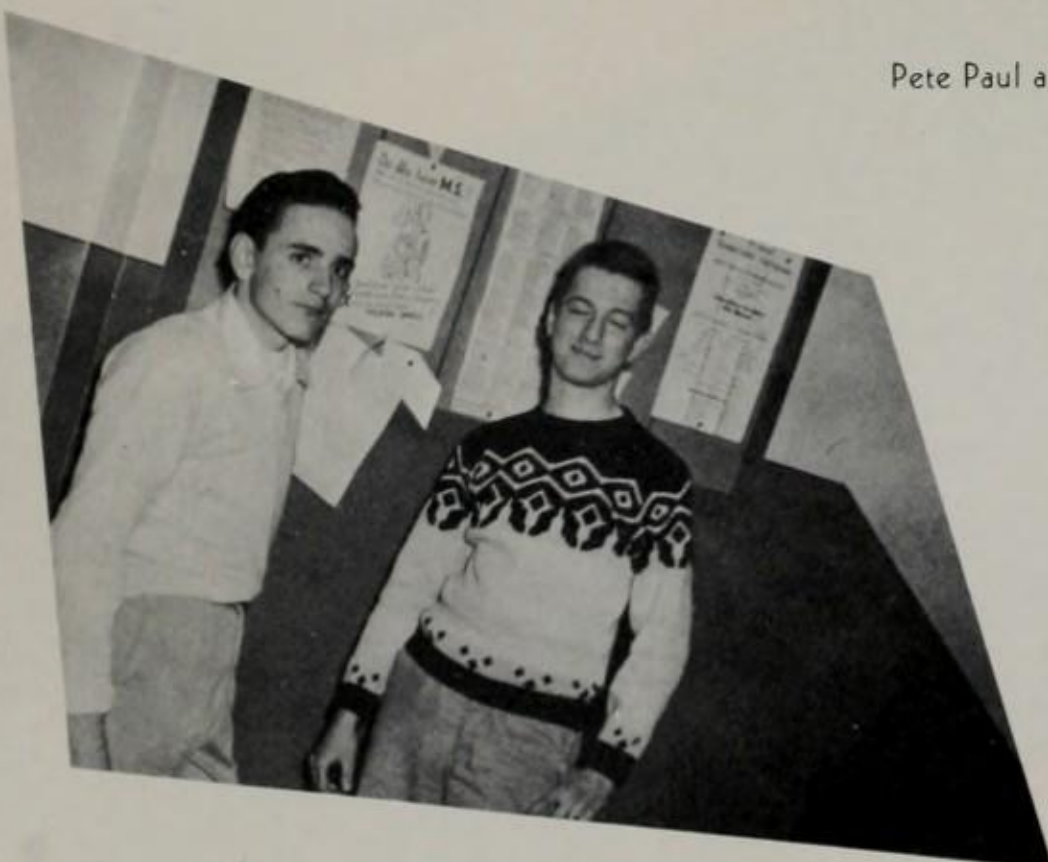

THE Hi-Times is the school paper of St. Norbert's. It is published once a month by the students. This paper contains all of the important events that happen on the campus. Meetings of this organization are held once a month under the direction of Father McBride who is the capable moderator of the paper. At these meetings the staff and moderator discuss just what will be in the next issue of the paper. One of the few consecutive articles to be in the paper, is the great and encouraging "Notes from the Office," written by Father Clabots. This article gives vital advice to all students who read it with attention. Only the editor and the members under him really know the amount of work that goes into the paper, but their efforts are greatly appreciated by the student body.

THE Rifle Club is one of the more active clubs on the campus. The club was not only established to improve one's shot but also to teach the proper care of guns and ammunition and to give many hours of enjoyment to its members. The regular meetings of the club are held in the rifle range in the basement of the gym. The officers who were elected by the members this year are Ed Weidenfeller, president; John Renn, vice-president; James Meli, secretary; Paul Skibba, treasurer; and Richard Arnoldussen, executive officer. Again Father Finnegan moderated the organization. The club is affiliated with the National Rifle Association. By this affiliation the Rifle Club received help from the government.

KNIGHTS OF THE ALTAR

THIS organization is one of the most important on the campus. From this group the servers for daily Mass are selected by Father Clabots, the moderator. The members are to realize that their duties at the altar are to be carried out with care and dignity. In serving at Mass one can especially take an active part in the Sacrifice which is the basis of our Faith. Membership is not limited, but to be a member one must be of fine character and have the desire to assist in the ceremonies of the Church. As in the past there were more than fifty members of this necessary organization.

THROUGH the tireless efforts and great patience of Father Alfred McBride the Saint Norbert High School Choir was a great success. As in the past the Choir sang for the student high Mass on Saturday morning. They practice two nights a week in the Club Room on the second floor. The results of their many long hours of practice were displayed at the Christmas party. They sang the ancient Latin hymn set to Gregorian chant, "Laetebundus," in the English version. They also sang the two part arrangement of "O Come Emmanuel." The choir also displayed their talent when they gave a short example of their work on the radio over the Christmas vacation.

SODALITY

THE Sodality of the Blessed Virgin completed another year of Catholic action in Saint Norbert High School. This group influenced the other students by its good example and helped to correct some of the spiritual problems in the school through its apostolic efforts. A new system was adopted in the running of the meetings this year. The group was divided into two units, each headed by a prefect for the purpose of conducting a discussion according to the new unit plan. One of the many projects taken up by the Sodalists was to acquire a sufficient supply of spiritual pamphlets during the time of the retreat. The meetings were held on the second and fourth Mondays of each month which were attended by the director of the group, Father Finnegan. The officers were Jack Tesch, prefect; Jim Johnson, vice-prefect; Lee Grota, secretary; and Paul Sinkler, treasurer.

THE Third Order aims that its members should strive to lead a life in the world consonant with Christian perfection, according to the Spirit of the Norbertine Order. A member of the Order should develop a love for the liturgical life and a true zeal for the devotions to the Blessed Virgin Mary. The example of this love and zeal is the founder of the Order, Saint Norbert. To be in this organization one must be at least 16 years old, have a high moral standard, and always strive to attain Christian perfection. One of the privileges that is looked forward to by those enrolled is the wearing of the white habit of Saint Norbert at one's death and burial. During the meetings the members discuss the liturgy of the Church. At the meetings the members are reminded of their duties such as the daily recitation of the rosary and the office of the Blessed Virgin.

THE Crusade for Reverent Language was formed three years ago by Father Clabots for the purpose of making the language of the students more like that of the saints. This organization is not only concerned with its members but with all those who need their aid. The members have a great respect for the name of Jesus and try to impress this upon their fellow students by good example. The organization, as in the past, was very successful even though it was not closely united this year. Father Clabots is again the very capable Moderator of this group.

ANOTHER successful year was completed by the Camera Club. Meetings were held monthly. At their meetings movies, compliments of the Kodak Film Company, were shown on the different phases of developing films. Also there were slides and a movie explaining the different stages in the manufacture of films. The members of the organization were taught valuable darkroom procedures, which cut the cost in picture production. Father Finnegan was the moderator of this club.

Dear Simp:

When I say simp I really don't mean simp. I mean "stupid". However you really are a pretty good guy (in your estimation) First let's cut down your love life. First it was a poor thin, skinny, scrawny female from the wrong side of the river. Then you switched to a little healthier specimen who was one year younger than "exhibit A". Then for one night you went back to "A" and wind her and dined her (you claimed you did this because she was skinny and undernourished). Then you decided (so it seemed at the time) to go back to miss "B" but now I find you've become intrigued by a pale scrawny 7TH grade with pale red hair. Oh well, you always were a sort of a boob.

Now let's ruin Mike Morris "the athlete". This kid definitely thinks he's good. Though he's better than his brother (who usually whiffs on three) pitches. Mike Morris plans to play with a communist baseball team (RED owl) HO! HO! I suppose he'll have to like it out there in Right field but his girl (Bev. Smith) will be there to cheer him on to victory.

He's also a baseball fan. He likes some obscure team in Chicago called the "Cubbies". Just like our boy they stink too.

Good luck, don't take any wooden women,
"Long Winded" Dick
